

On-Site and Off-Site Permittee Responsible Mitigation

No bank credits are currently available in HUC 8 (05080001) for the Project. J5, LLC is proposing impacts to 0.10 acre of non-forested, isolated wetlands and will require **0.2 credits reserved** from a mitigation bank within a HUC in the USACE Huntington District. The Applicant will purchase available bank credits from the nearest available bank to Project within the Huntington District.
